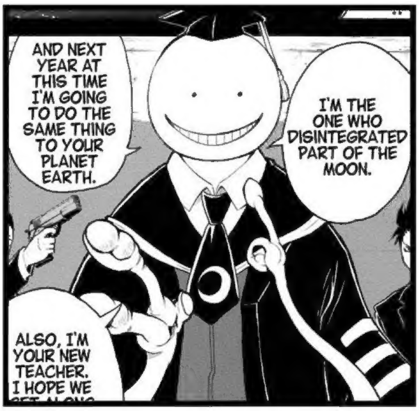
Our new teacher is a creature who plans to destroy the world...?!



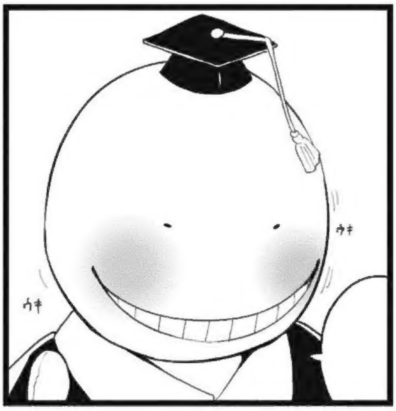
I'M THE ONE WHO DISINTEGRATED PART OF THE MOON.
AND NEXT YEAR AT THIS TIME I'M GOING TO DO THE SAME THING TO YOUR PLANET EARTH.
ALSO, I'M YOUR NEW TEACHER. I HOPE WE

Story Thus Far

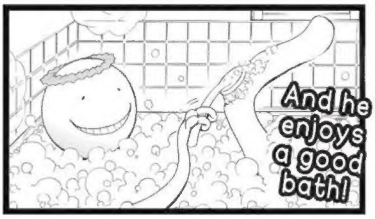
One day, something destroyed most of the moon.

A mysterious creature showed up in our junior high classroom claiming that he had attacked the moon and promising to destroy the earth next March. And then...he took over as our teacher. What the—?! Faced with a creature beyond human understanding that no army could kill, the leaders of the world had no choice but to rely on the students of Kunugigaoka Junior High, Class 3-E, to do the job. For a reward of ten million dollars... SIGN ME UP!! Will the students of the so-called End Class, filled with losers and rejects, be able to kill their target, Koro Sensei, by graduation...?!

Koro Sensei



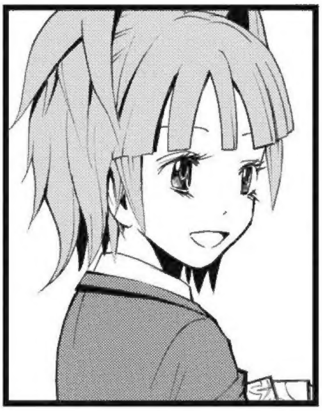
A mysterious octopus-like creature whose nickname is a play on the words "koro senai," which means "can't be killed." He is capable of flying at Mach 20 and his versatile tentacles protect him from attacks and aid him in everyday activities.



And he enjoys a good bath!

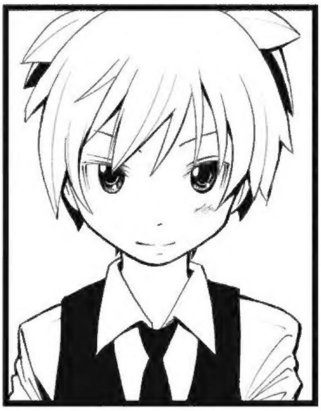
Nobody knows why he wants to teach Class 3-E, but he has proven to be an extremely capable teacher.

Kaede Kayano



Class E student. She's the one who named Koro Sensei. Sits at the desk next to Nagisa, and they seem to get along well.

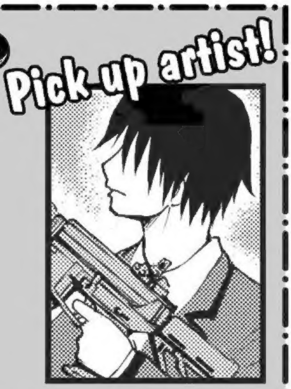
Nagisa Shiota



Class E student. Skilled at information gathering, he has been taking notes on Koro Sensei's weaknesses.

Ryunosuke Chiba

No one in 3-E has ever seen his eyes. Rumor has it that even his parents haven't seen them for the past year.



Pick up artist!

Karma Akabane

Class E student. A quick thinker skilled at surprise attacks. Succeeded in injuring Koro Sensei a few times.

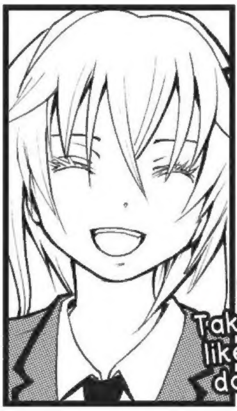
Kanzaki gets into a huge fight with her father over her choice of career!

Apparently, she elegantly told him to "stick it" when he said she had to become a lawyer. She wants to be a social worker instead. Are lawyers capable of being social?

Beautiful...
Ah!!



Ritsu (Autonomous Intelligence Fixed Artillery)

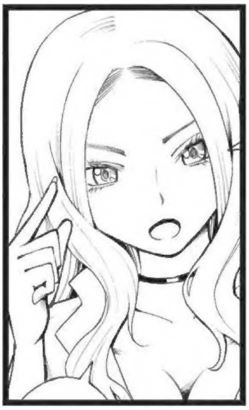
Transfer Student Assassin, a self-evolving fixed artillery weapon created with top military technology. She succeeded in blowing off Koro Sensei's finger.

Even Takebayashi likes her 2D double Ds.

* * *

Irina Jelavich

A sexy assassin hired as an English teacher. She's known for using her "womanly charms" to get close to a target, but has failed to kill Koro Sensei—yet.



Tadaomi Karasuma

Member of the Ministry of Defense and the Class E students' P.E. teacher. Also in charge of managing visiting assassins.

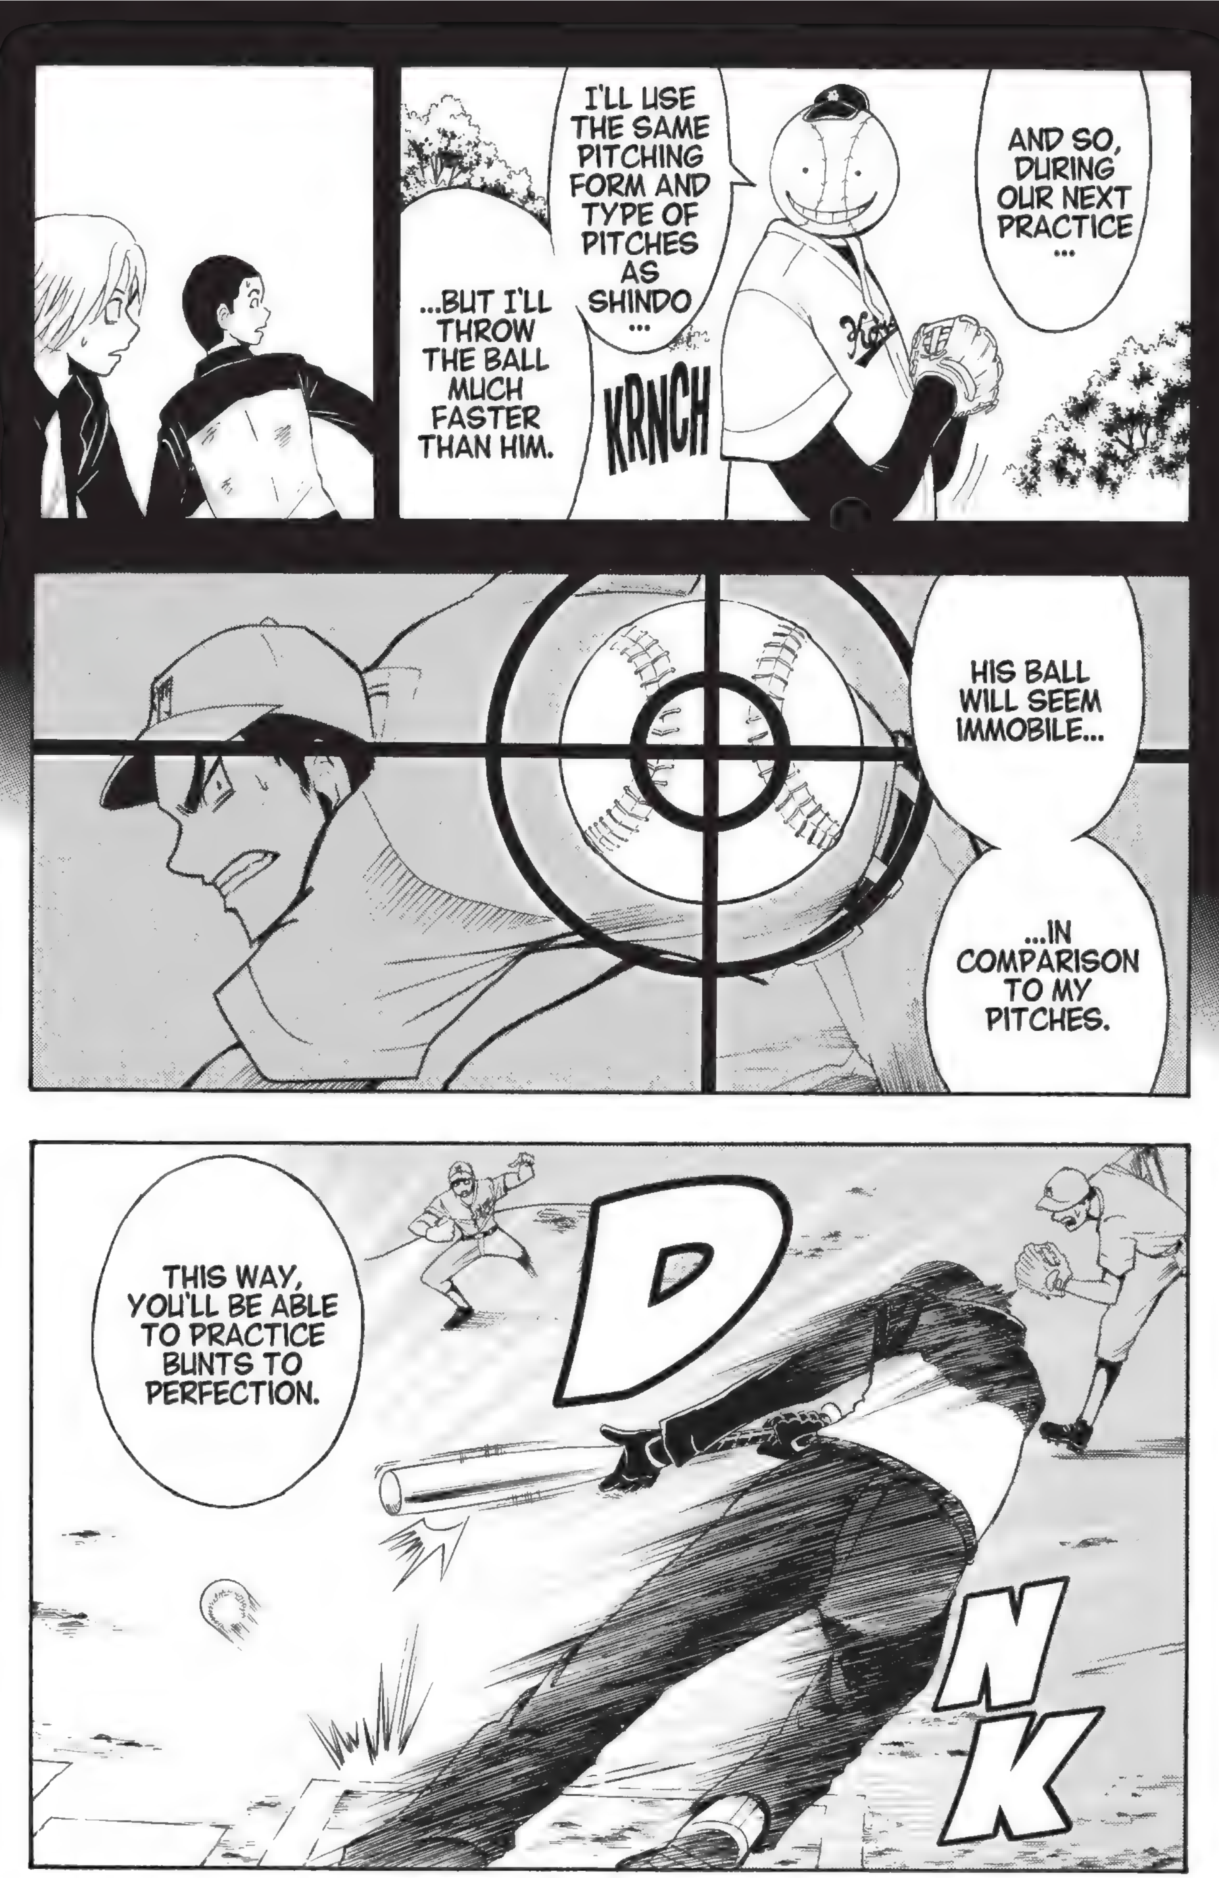
HE ONLY USES A FASTBALL AND A CURVEBALL.
AND HE USES THE FASTBALL 90 PERCENT OF THE TIME DURING PRACTICE MATCHES.
WE'RE TALKING ABOUT JUNIOR HIGH SCHOOL BASEBALL...
...SO HE CAN ACE ANY GAME WITH THAT FASTBALL OF HIS.
RIGHT.
IN OTHER WORDS...WE CAN WIN AS LONG AS WE CAN DEFEAT HIS FASTBALL.



AND SO, DURING OUR NEXT PRACTICE...
I'LL USE THE SAME PITCHING FORM AND TYPE OF PITCHES AS SHINDO...
KRNCH
...BUT I'LL THROW THE BALL MUCH FASTER THAN HIM.
HIS BALL WILL SEEM IMMOBILE...

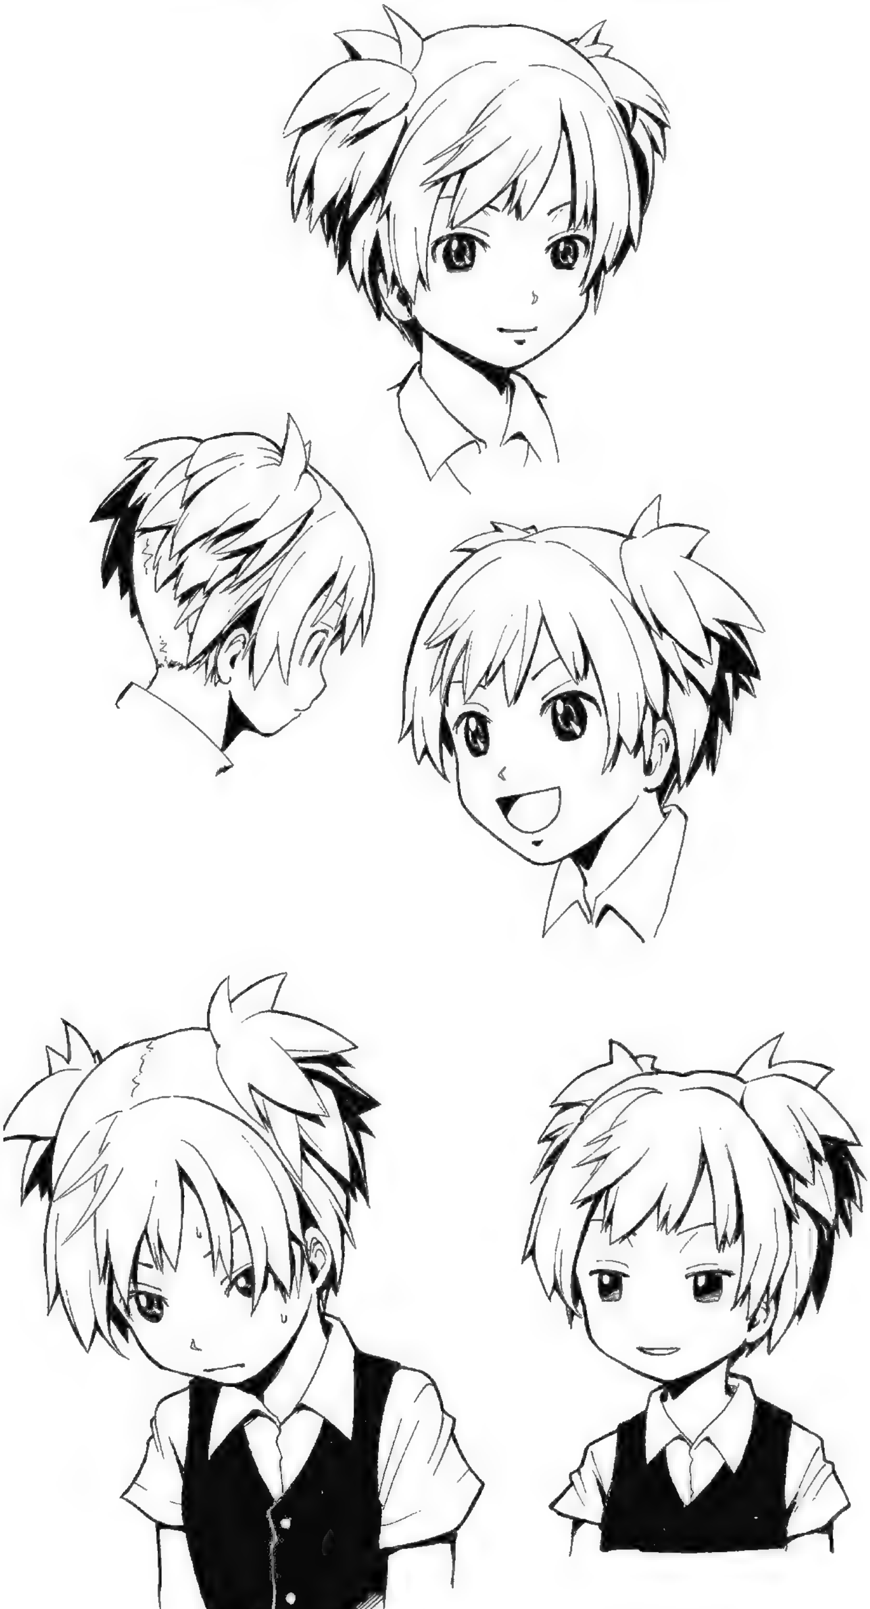
Character Model: Nagisa

Nagisa was originally the main character of a different series. I'd like to write more about that somewhere near the final volume if I have the space.



FROM
coffin...

...to
grave.

When I didn't have a series, the next thing I had to do after waking up in the morning was to go to sleep at night.

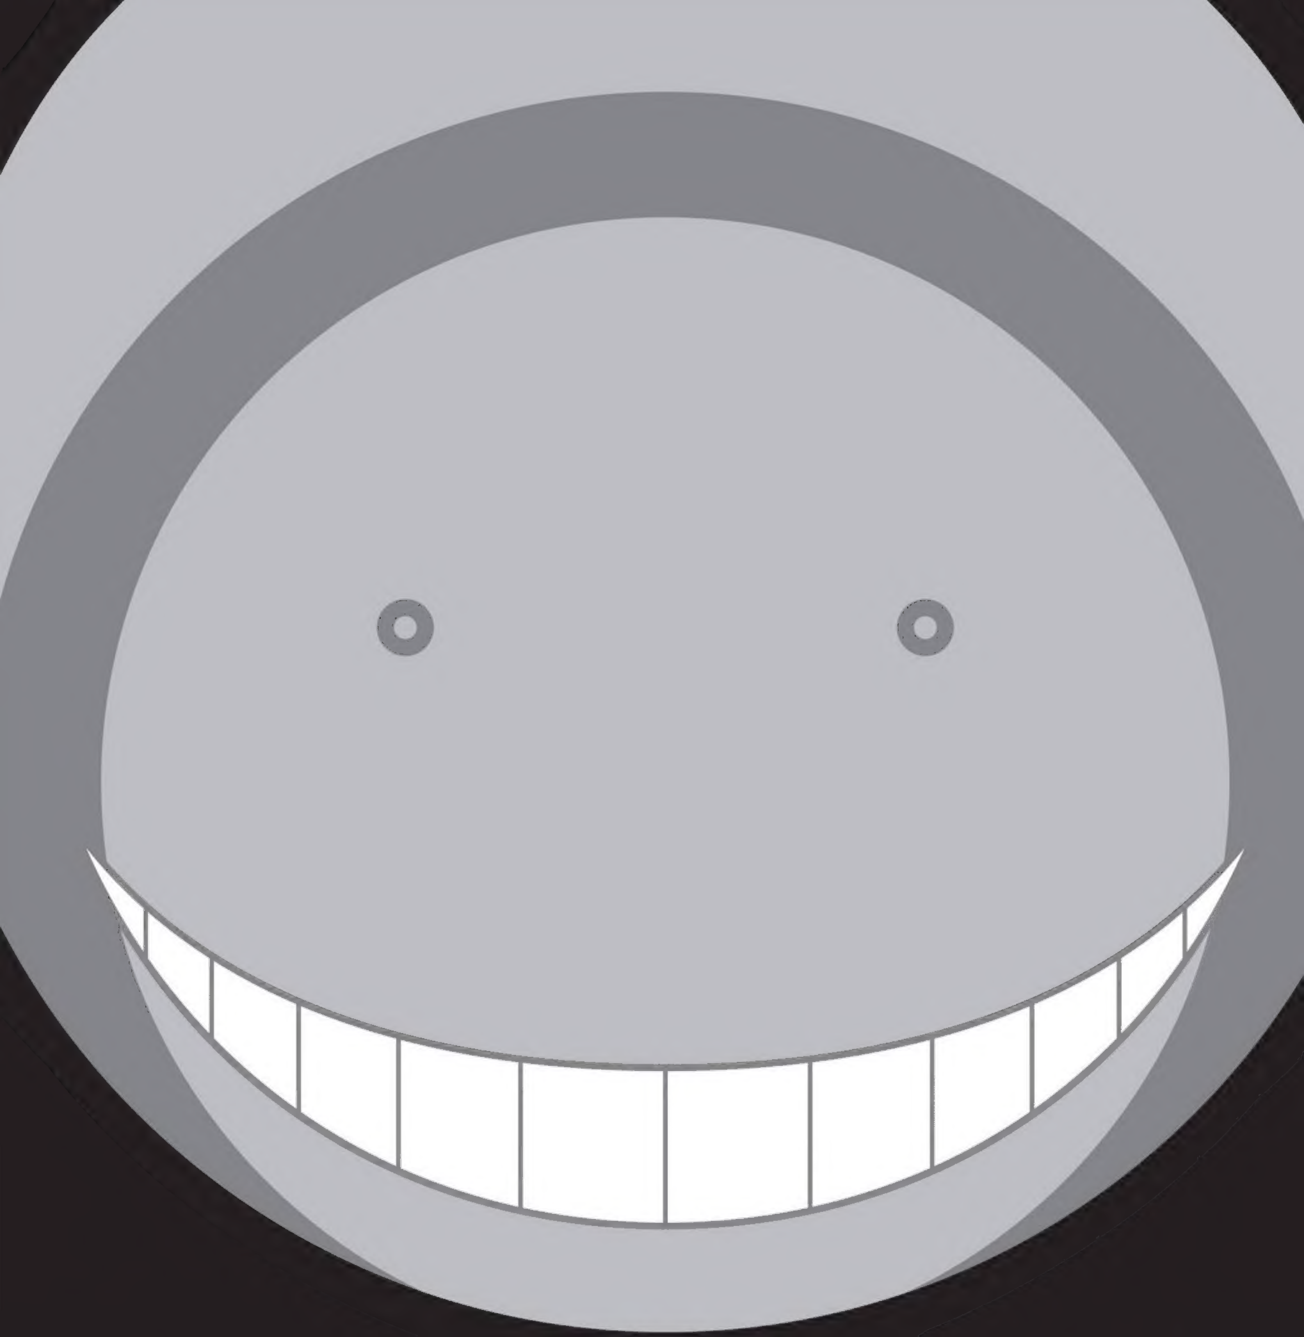
I'm probably a hundred times busier now that I have a series, but I don't have a problem with that.

Based on my experience, we adapt to our environment once we're given a job to do.

Even if that job turns out to be assassin...!

—Yusei Matsui

Yusei Matsui was born on the last day of January in Saitama Prefecture, Japan. He has been drawing manga since elementary school. Some of his favorite manga series are *Bobobo-bo Bo-bobo*, *JoJo's Bizarre Adventure* and *Ultimate Muscle*. Matsui learned his trade working as an assistant to manga artist Yoshio Sawai, creator of *Bobobo-bo Bo-bobo*. In 2005, Matsui debuted his original manga *Neuro: Supernatural Detective* in *Weekly Shonen Jump*. In 2007, *Neuro* was adapted into an anime. In 2012, *Assassination Classroom* began serialization in *Weekly Shonen Jump*.



When you see the red circle on his face it means "correct." I asked him, "You don't have a girlfriend, do you?" And, sadly, the red circle appeared.
